

# UNDERTOW®

## 0-0-3 FIELD READY

### GUARANTEED ANALYSIS

Potash (K<sub>2</sub>O).....3.0%

Derived From: potassium acetate

**WARNING**  
KEEP OUT OF REACH  
OF CHILDREN

### PRINCIPAL FUNCTIONING AGENTS

A proprietary composition of surfactants, a combination of natural acids & inert ingredients; 100% All ingredients in this product are exempt from the requirements of a tolerance on specified under Title 40, Code of Federal Registrations 180.

### GENERAL INFORMATION

UNDERTOW® is a foliar spray adjuvant and fertilizer additive to enhance nutrient availability and uptake and improve pesticide performance effectiveness and consistency. UNDERTOW® is a field ready version of Crop Excellence® Catalyst or CEC™ and is plant safe and a compatible combination of proprietary technologies that enhance nutrient use efficiency and facilitate foliar uptake of nutrients and agricultural chemicals, including, but not limited to pesticides, by modifying the permeability of cell membranes and conditioning the plant's physiology to take-in and mobilize the spray application received. UNDERTOW® is intended to be used in conjunction with a regular fertilizer program and standard recommended agricultural practices.

### GENERAL USE

UNDERTOW® is a foliar spray that can be applied to all crops including but not limited to vegetables, deciduous fruit and nut trees, row crops, tobacco, turf and ornamentals crops. Contact your local Crop Excellence® representative for specific crop and program recommendations. UNDERTOW® is well suited for foliar application, either by ground or air, but is not limited to hydroponic mixes, fertigation applications and transplant solutions. UNDERTOW® is highly compatible with most foliar fertilizers and pesticides however a jar test is always recommended.

### SUGGESTED DIRECTIONS FOR USE

Apply 8 – 12 ounces per acre per foliar application on most crops or through fertigation systems or transplant solutions. See dealer for specific recommendations for each crop. Shake Well.

### STORAGE AND DISPOSAL

Store in a cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

### PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800)424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.
