WARNING

KEEP OUT OF REACH
OF CHILDREN

GENERAL INFORMATION

Zn 9% is recommended to correct zinc deficiencies.
Zn 9% should be used on the basis of a soil and/or tissue analysis.

DIRECTIONS FOR USE

Soil Application: Apply 1-2 qts. of Zn 9% as needed.
Formulated and compatible for all use in all liquid suspension fertilizers. Use recommended rates only from a soil or plant analysis where required by law.

Foliar Application: Apply 1-2 qts. of Zn 9% as needed.
Apply a minimum of 10 gallons of water per acre with the use of Zn 9% to foliage with ground spray equipment.

MIXING INSTRUCTIONS:

1. Pour 1/3 water or fertilizer into tank
2. Add other pesticides*
3. Fill tank with balance of water or fertilizer
4. Add Zn 9%
5. Agitate to assure proper mixing

*Caution: Check compatibility with orthophosphate fertilizers and other chemicals prior to mixing.

STORAGE AND DISPOSAL:

Store in cool, dry place. Store in original container. Keep container tightly closed. Do not reuse empty container. Triple rinse, then offer for recycling or for disposal in a sanitary landfill, or by other means in accordance with local, state and federal regulations.

NOTICE

Manufacturer warrants that Zn 9% conforms to chemical description and will perform as stated on the label when used according to directions and under normal conditions. Neither this warranty or any other warranty of merchantability, expressed or implied, extends to the use of this product contrary to label directions. Buyer assumes all risk if Zn 9% is used in any manner or under any conditions other than those specifically set forth on the label.

PRECAUTIONARY STATEMENTS

Keep container tightly closed. Avoid contact with eyes, skin and breathing vapors or spray mist. Wear protective gloves. Do not eat, drink or smoke when using this product. Wash hands thoroughly after handling. Use adequate ventilation when handling. Keep away from open flame. In case of fire: Dry chemical fire extinguisher to extinguish and call CHEMTREC (800) 424-9300. First Aid: If exposed call CHEMTREC or refer to SDS First Aid section. If on skin: Take off contaminated clothes immediately. Rinse skin with water.
